

BICKFORD
WILDERNESS ADVENTURES

First class hunting in Canada

We offer/supply first class hunting trips with top service in the neighborhood of Chetwynd, British Columbia-Canada in our own hunting territories with a total surface of 220.000 hectares.

With our experienced guides, the use of the most modern and high quality all terrain vehicles like Quads and skidoo's, and with the possibility to spend the night in the wilderness in heated hunting cabins, your hunt will be an unforgettable and most impressive experience.

During the last years we could note a score of 86% of the hunted species, so we claim to have the necessary experience and the available game.
